RE: Indian Lake Estates Board of Directors

Dear Neighbors:

Wanda Misinco and I are a part of the nominating committee for the Board of Directors. We will have two members whose terms will expire this year and will need to fill those vacancies coming up in September. We are looking for individuals who may be interested in running for the Board this year. This can be a rewarding experience and a way great way to be a part of the community. If you are interested in running for the Board, please let Wanda or myself know, we would love to hear from you.

Kind Regards,

Jay Kicklighter
